

# SPECIALTY ITEMS

*New In Season!*

**Rhubarb** **13953** **15 lb.**

Hot House Rhubarb will be available later this week from Washington State. Rhubarb is a vegetable that looks like red celery but is often used as a fruit. Only the stalks are edible; the green leaves are toxic and never used. **STK**

**Lychee Nuts** **2177** **10 lb.**

New crop from South Africa is now available. The outside color is a red blush with a light pale green cast. Sweet and very juicy! **STK**

**Star Fruit** **3830** **9-13 ct.**

Now available from Taiwan. Florida will start up soon. **STK**

**Blood Oranges** **885** **20 lb.**

New crop from California available now. Their flesh can be dark pink, maroon, burgundy red, or white with red streaks. They have few to no seeds and a sweet-tart flavor. **STK**

*Short Supply*

**Cherimoya** is out of season.

**Quince** are out of season.

**Porcini Mushrooms** are out of season.

**Fresh Figs** are out of season.

**Field Grown Rhubarb** in a gap until March.

**English Peas** are very short in supply.

*Around The Corner*

**Due in January:** Passion Fruit (NZ), Tahitian Pummelos (CA) and Murcott Mandarines (CA)

**Due in February:** Baby Kiwi (NZ), Yosemite, Shasta, Tahoe, Gold Nugget Mandarines (CA) and Greengage Plums (NZ)
